

DISPOSABLE 3 LAYER MASK

Medical and Sanitary

SANITARY MASK

000-992

THREE-LAYER | DISPOSABLE | MADE IN EU

MATERIAL / COMPOSITION

- made of three layers of polypropylene nonwoven fabric 3*35g/m2
- hydrophobically finished fabric - does not absorb water and ensures hygiene
- 100% polypropylene
- fabrics made in EU

SIZE

- universal
- dimensions ≈ 17,5 cm x 9 cm

COLOUR

white

FEATURES

Designed to ensure tight fit of the mask to the face.

Held in place behind the ears with a soft, stretchy yet durable cord with an elastic band to improve wearing comfort.

Can be individually adjusted to the shape of the nose with a flexible metal strip sewn inside. The use of a 12.5 cm long metal strip ensures correct fit of the mask to the shape of the face and prevents your glasses from getting fogged.

Free breathing and comfort of use.

UNIT BOX

quantity 50 pcs.

APPROVALS / CERTIFICATES

Product with certificate of NIZP-PZ

Number: B-BŻ-6071-0127/20/C

Valid until: 29.04.2023

www.pzh.gov.pl
